TUFFflex Tapes

TUFFflex™ is proud to offer tape products that provide enduring performance, maximum efficiency and unmatched value. Our wide variety of tapes will support most packaging applications. Exclusively available through Veritiv®, an industry leader in packaging solutions, TUFFflex is a brand you can count on to get the job done.

TUFFflex Acrylic Carton Sealing Tape is a general purpose, acrylic product that sticks to a variety of surfaces, including fiberboard, for fast strong results. It adheres instantly and offers an easy unwind.

Packaging Solutions

Delivering on both form and function

By understanding your business inside and out, Veritiv can help you identify the right tape for the right application.

Manual or automatic

Packaging, palletizing and unitizing

Temperature sensitive environments

Recycled content cartons

Irregular surfaces

Our solutions go beyond the product—you'll have the opportunity to work side-by-side with a Veritiv packaging expert and equipment specialist to improve your current workflow. We can turn manual processes into mechanized ones, incorporate the right piece of equipment for the job, reduce steps, minimize energy, and ultimately, save you both time and money.
